1. Authority to borrow \$900,000,000

- (1) In addition to all money authorized to be borrowed by any other Act, the Lieutenant Governor in Council may borrow sums of money, not exceeding in the aggregate \$900,000,000, that may be considered expedient for any or all of the following purposes:
- (a) the public service;

 - (b) be redeemable or payable within a term, not exceeding 40 years, that is fixed by the Lieutenant Governor in Council; and
 - (c) be raised on the credit of the Operating Fund and be a charge on the Operating Fund.

Sinking fund

- (3) The Lieutenant Governor in Council may provide for, and determine the provisions of, a special sinking fund with respect to a loan authorized under subsection (1).
